

This is to certify that **Gokhan Boyraz** has attended the ESSO Advanced Course on the Management of Hyperthermic Intraperitoneal Chemotherapy (HIPEC) after Cytoreductive Surgery (CRS) in Hamburg (DE) from 19th to 21st March 2015.

The scientific programme of the Course has been appraised and approved by the Accreditation Council of Oncology in Europe (ACOE).

ACOE is a multidisciplinary body of full time specialists practising in the field of oncology and all recognised for their experience in education and expertise in their field.

ACOE accreditation acknowledges the quality of the scientific programme and its educational value.

ESSO Advanced Course on the Management of Hyperthermic Intraperitoneal Chemotherapy (HIPEC) after Cytoreductive Surgery (CRS) is designated for a maximum of 12 education hours.

ACOE credits have been endorsed by the European Accreditation Council for Continuing Medical Education (EACCME) - a body of the European Union of Medical Specialists (UEMS).

These credits are also recognised as Physician's Recognition Award (AMA PRA Category 1 credits) by the American Medical Association.

Gokhan Boyraz has earned 12 ECMEC's at this event.

(1 ECMEC per full education hour attended with a max. of 6 ECMEC's for a full day and 3 ECMEC's for a half day)

This course operates an honour system. Each medical specialist should claim only those hours of credit that he/ she actually spent in the educational activity.

Beate Rau
Professor of Surgery, Charité Berlin
Course Chair
Member of the ESSO Education & Training Committee
